THE TIMES Real Estate Bureau, Main 5260,

Will put you in touch with owners and agents of Available Houses

A complete description accompanies all homes listed in the Bureau which we are glad to place before TIMES readers, saving the necessity of extended trips about the city looking at property that does not meet your requirements.

This department is also equipped with information concerning towns suburban to Washington and can tell you the easiest way to reach them, what you may expect to find there, etc.

There are no charges for the service. Its whole purpose is the extension of a real Real Estate service to TIMES' readers.

If you desire further information of homes advertis-5260, ask for giving registered number which appears at the end of each ad.
